*Dear Resident,*

Like you, I love living in Bexley and I am proud of all that we have achieved together over the years.

It is an honour to be standing in this vital by-election.

By law, it cannot be held on the same day as the EU Referendum but I hope you will be able to vote on Thursday 30th June for great schools, low crime and to continue the investment that is creating a brighter future for you, your family and our great Borough.

I am the only candidate fighting a positive campaign.

75% of Bexley's residents recommend the Borough as a place to live and 90% of people are happy with the Council's services.

These are not accidents - they are the result of hard work over many years by your Councillors and your Conservative-run Council.

We have always taken decisions in the long term interest of our Borough and not for short term political point scoring.

On Thursday 30th June, I hope you will be able to cast your vote for me and for the Conservatives to ensure long term investment continues, improve our schools, keep crime low and secure a brighter future for our town centres and our community.

I am ready to get to work for you, your family and our Borough; together, we can achieve a huge amount for Bexley and St. Michael's Ward.

*Ray Sams*
